This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.cpg.org/mtdocs](http://www.cpg.org/mtdocs) or call (800) 480-9967.

For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$ 500/Individual or \$1,000 Family network \$1,000 Individual or \$2,000 Family out-of-network	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family deductible. The network and out-of-network <a href="#">deductibles</a> accumulate separately.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes, for example certain preventive services, COVID-19 expenses, and office visits	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. See a list of preventive services at <a href="https://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .**
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For network providers, \$2,500 individual / \$5,000 family; for out-of-network providers \$5,000 individual / \$10,000 family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met. The network and out-of-network <a href="#">out-of-pocket limits</a> accumulate separately.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Contributions, ( <a href="#">premiums</a> ), <a href="#">balance-billing</a> charges, penalties, <a href="#">copays</a> for certain specialty pharmacy drugs considered non-essential health benefits, and healthcare this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.mycigna.com">www.mycigna.com</a> or call (800) 244-6224 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

**COVID-19 Evaluation, Testing, and Treatment and Telehealth Services:** The Medical Trust will waive all copays, deductibles, and coinsurance for its members for healthcare services relating to the evaluation and testing for COVID-19. In addition, the Medical Trust will waive all copays, deductibles, and in-network coinsurance for its active members for healthcare services relating to the treatment of COVID-19. The Medical Trust will also waive all copays, deductibles, and coinsurance for all telehealth services received through vendor platforms. The Medical Trust will also allow claims for virtual visits with network and out-of-network providers who do not use a telehealth platform offered by Cigna. Standard deductibles, copays, and coinsurance will apply.

**Your Rights to Continue Coverage:** The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements<sup>1</sup>. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.
