

Diocesan Strategy (created 2019)

VISION A church focused outside our doors, loving and serving Jesus Christ in our beloved communities in relevant ways, both new and traditional.

MISSION Christ is calling us into meaningful connections with each other that transcend all boundaries, and to act on those connections for the benefit of all. By these connections we are made whole.

**Umbrella
Theology**

BECOMING BELOVED COMMUNITY
Relationship – Justice – Dignity – Community: *For and With All*

**Strategic
Commitments**

RELATIONSHIPS
Mission and Relationship
with All Community
Members
